Leila-

Sorry for the delay, was on the road yesterday and just catching up. Below is the agenda for our meeting next week. As far as scope of what we'd like Deputy Secretary Bernhardt to address:

- 1) His goals as COO of the federal government's energy agency
- 2) Status on
  - a. Venting and Flaring
  - b. ONRR Reg
  - c. OCS Leasing Program
  - d. Fracking Reg
  - e. Coal
- 3) His NEPA memo, NEPA coordination across DOI and the entire Executive Branch

And he should know that a certain coal company will be in attendance that may ask about the Navajo Generating Station

8:30 - Breakfast  
9:00 - Discussion on power market formation  
10:00 - Deputy Secretary of Energy, Dan Brouillette  
10:30 - Deputy Secretary of the Interior, David Bernhardt  
11:00 - Meeting Ends

Good morning, Christopher!

When you have a moment this morning, can you please send me the draft agenda for the LC meeting on the 26th and what you would like the Deputy to highlight in his remarks?

Thank you!  
Lelia
